

Application No. 10/517,021  
Amendment dated November \_\_, 2005  
Reply to Office Action of August 22, 2005

### **AMENDMENTS TO THE CLAIMS:**

The following Listing of Claims will replace all prior versions, and listings, of claims in the application:

#### **Listing of Claims**

- 1-2. (Canceled)
3. (Currently Amended) A bonded structure comprising:
  - (1) a base material comprising a plasticizing resin layer containing a resin and a plasticizer for the resin,
  - (2) a primer layer containing a polymer sticking fast to said plasticizing resin layer ~~said base material,~~ the primer layer exhibiting plasticizer resistance, and
  - (3) an adhesive sheet having an adhesive layer stuck fast to said primer layer;  
wherein said polymer contains a polycarbonate polyurethane having a repeating unit derived from polycarbonate polyol in a molecule thereof.
4. (Canceled)
5. (New) The bonded structure of claim 3, wherein the primer layer exhibits plasticizer resistance without being cured.
6. (New) The bonded structure of claim 3, wherein the primer layer comprises at least 70 mass percent polymer.
7. (New) The bonded structure of claim 3, wherein the primer layer comprises at least 80 mass percent polymer.
8. (New) The bonded structure of claim 3, wherein the adhesive layer comprises an acrylic polymer having low plasticizer resistance, and the primer layer prevents plasticizers present in the plasticizing resin layer from reaching the adhesive layer.
